REFRESHMENTS There is a sign-up sheet located on the bulletin board in the fellowship hall. All you need to do is sign your name on the date or dates you would like to bring refreshments.

SPECIAL GIVING OPPORTUNITY Brochures are available in the fellowship hall, which detail some of the furnishings which are planned for our new building. Also, in the brochure, you will see information on how you might contribute toward some specific item(s) that you are personally interested in funding. On the bulletin board in the fellowship hall is a master sheet that shows what items have been purchased along with a total amount raised. Thank you as always for your generosity!

ANNUAL 2019 CHURCH MEETING The annual church meeting will take place on January 26 at 9:00 AM in place of the adult Bible study.

2020 SPRING MEN'S RETREAT CANCELLED The PNW Men's Retreat has been put on hiatus for this year. The retreat site was booked for the entire month of April into the first couple of weeks of May and other sites have grown too expensive for our group or have also been booked solid. Everything possible will be done to ensure that we don't run into this again, but in the meantime, please accept the Men's Retreat Coordinator's deepest apologies for this big inconvenience as he knows how many of you look forward to this every year! If you have any questions, please feel free to reach out to Pastor Andy Schwartz at andrew.schwartz@ctk-wels.org.

WOMEN'S MINISTRY MEETING There will be a planning meeting after worship on January 26 for the Women's Ministry. All women of the congregation are invited to attend.

SUNDAY SCHOOL OFFERINGS Parents and Students, It has recently come to our attention that there is just over \$170 of Sunday School offerings from previous years in our church bank account. This is money that was given to Jesus by former Sunday School children to be used for ministries supported by our congregation. After getting some input from this year's Sunday School students and teachers, we have decided to use these funds for new toys, books and furniture in the family room of our new church building as well as items for worship bags that will be available for children in our new building. The students were especially excited about using these funds to help share Jesus with other children.

In addition to using this existing money, we also want to share with you an opportunity for the students to personally contribute toward this effort with Sunday School offerings this year. There is of course no obligation to do so, but students are welcome to bring an offering each week, starting January 19, and place them in a special offering box during the Sunday School hour. As the money is accumulating, the students will also be able to help the teachers select the items that will be purchased and then see them when they arrive so that they can tangibly see the results of their effort. We hope this can be a way for the children to begin to take ownership of our new building and feel the joy of making an impact in someone else's life as they give to Jesus a portion of what he first gives them. If you have any questions, please let us know. – Southridge Sunday School Team
