SUNDAY SCHEDULE *Church and all activities cancelled for the week of March 22-28.*

FRIDAY MORNING BIBLE CLASS *Church and all activities cancelled for March 22-28.*

COVID-19 SUPPORT During this unusual and limiting time, please be aware of the following support that is available to you and your family through our broader church family:

- Virtual Worship – Every week that we can't meet together for worship (and probably beyond that time), we will email out some sort of virtual worship materials for you to use with your family. At this time those materials will include audio of the worship service along with a PDF of the worship folder, but soon that will include video as well. These materials, along with previous weeks' materials, can also be found on our website at www.southridge-church.com/covid-19/. For those of you who are wondering about what to do with your offerings, you can mail them in to our old church address, mail them to our office manager's house (2101 Skyview Meadow, Richland, WA 99352), donate through PayPal on our website, save all of your offerings to give in person once we can meet again, or join several other members who have set our church up as a regular automated bill pay through their personal bank or credit union. If you have any questions about this, please contact the church office.
- Grocery/Other Necessity Front Porch Delivery – This week, volunteers from our congregation attempted to contact all our members over 60 years old and other members with identified special needs. Our goal was to see what assistance may be needed at this time. If you could use assistance with grocery drop off or something related to that, there are members of our congregation who are willing to assist with that. Please contact our church office to let us know if this need comes up for you.
- Home School Support – Many families are suddenly finding themselves homeschooling their children for the foreseeable future. If you need to vent, hear an encouraging word, or learn about some resources, we do have a number of excellent teachers in our congregation as well as a number of parents who are experienced in homeschooling. If you could benefit from any of this, please contact our church office and we'll be able to connect to one of these valuable resources.
- Professional Counseling – Our congregation has a partnership with Wisconsin Luther Child and Family Services (WLCFS) that allows us to offer discounted virtual counseling with qualified Christian counselors. If you'd see benefit in talking to a caring Christian professional during this time when we're all dealing with irregular causes of stress and anxiety, please contact pastor (509-820-1080) directly or through our church office. Our congregation can currently provide at least one session at no charge to you.
- Spiritual Support – Please feel free to contact pastor (509-820-1080) if you could use some spiritual support during this time of cancelled worship services or really at any time. He'd love to talk with you or just listen to you. That's what he's here for.
